

Game On Softball, founded by Sonya Wilmoth, is committed and dedicated to providing the most up to date instruction in the game of fastpitch softball for athletes of all ages.

Our staff consists of former collegiate coaches and players who have experienced our game at the highest levels. With over 30 years of combined experience, we provide sound fundamental instruction in all aspects of the game. We stress fair play, sportsmanship, hard work, dedication, perseverance and personal accountability. It is our mission to share our passion for the game with athletes throughout Jacksonville and the southeast.

Exposure Camps are staffed with collegiate coaches from around the country only and provide athletes the opportunities to show their skills for two days.
